OPEN HEAVENS COMMUNITY CHURCH (BRENTWOOD)

About the Family

My wife (Rose) and I were both born in Nigeria, where Rose was trained as a physician. We have two grown children and are glad to be naturalized United States citizens. In 1999, when God called me to preach the gospel, I resigned my job as a bank manager to become a preacher and a church planter. After graduating from Golden Gate Baptist Theological Seminary, we planted a church in Florida.

The congregations we started in Miami and in Port-Au-Prince, Haiti, required much hard work, but God caused something great to happen and the churches were effective. The experience drove our family closer to God. This, plus my DMin studies, also gave me much-needed practical training in missions, evangelism, church planting and church administration.

About the Church Plant

Now the Lord has brought us back to the Bay Area, to the bedroom community of Brentwood, to plant a new church. We sense God working in our lives, helping us to be more impactful, adept and fearless in reaching the lost. We believe He has equipped us to reach our multiethnic community for Christ through prayer, fasting for revival and a lot of hard work.

Because our family is gifted musically, we will provide outreach events such as free dance and voice lessons and teaching people how to play musical instruments. We believe music is one of the things that helps people from all over the world learn how to be part of a community together.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- That our focus will center on Christ and His work.
- That we will achieve great success in building relationships and assembling a solid core team.
- That God will send my family and the new church plant.

PARTICIPATE.

- Keep praying for us every week for clear vision and great success in the new work.
- Consider providing monthly financial support for the new church plant for 12-24 months as the Holy Spirit directs.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
