

## Justin Haynes

REFUGE CHURCH (BYWATER)

### About the Family

Justin and his wife, Brittany, have been married for 10 years. They have four children: Daisy, Waverly, Salome and Gideon. They also have a foster child. The Haynes family has lived in New Orleans collectively for six and half years. Their hometown is in North Georgia.

Originally, they moved to New Orleans to attend seminary at NOBTS. After graduation, the family felt God leading them to move back to Georgia. During the year and a half spent in Georgia, God revealed His next step for this family. He desired that they move back to New Orleans to plant a church in the Bywater/Marigny community. They look forward to seeing God reach the people of the Bywater/Marigny area and to building lasting relationships.

### About the Church Plant

Refuge Church NOLA started a year and a half ago. Currently, the church meets in a room located inside a local spiritual community center where they have worship, truth and community. Discipleship groups meet throughout the week for the purpose of spiritual growth. They have outreach and open Bible studies within their missional communities. The church has partnered with several community-based organizations to share the gospel and build relationships.

Refuge Church's goal is to engage this dark place with the gospel, see people saved and transformed by the gospel, teach believers to make disciples of other believers and, ultimately, to start other churches in New Orleans and around the world.

Find out how you can

**Pray.**

**Participate.**

**Provide.**

**PRAY.**

- For more leaders.
- For acceptance into the Bywater/Marigny community family.
- For strength and wisdom to handle the strong spiritual warfare in the area.
- For opportunities to share Jesus with people every day.

**PARTICIPATE.**

Churches and individuals can participate by praying for the church and the people who live in this area and by coming to New Orleans to serve alongside the people of Refuge Church NOLA. Help us make a difference in this area.

**PROVIDE.**

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.
