

Bishnu Ramdyaal

ABUNDANT LIVING CHURCH (JERSEY CITY)

About the Family

We are East Indians from Guyana, South America and a family of seven. The five children to Bishnu and Inez (Liz) Ramdyaal are: John (23), Immanuel (21), Alesia (17), Nathanael (10) and Anna (7). All our children are in school.

We are totally committed to the lordship of Jesus Christ and the expansion of His kingdom to every nation, tribe and tongue. My family and I immigrated to the United States in July 2013 and currently reside in Jersey City, New Jersey.

About the Church Plant

The goal of Abundant Living Church is to target fellow Guyanese and others, creating a network of churches from Jersey City to the tri-state area. The spiritual needs of the Guyanese community are very evident around us and outreach ministries to them are scarce.

At present we are building contacts, identifying prospects, sharing the gospel and working with new converts. Also we are seeking to form a core group to serve along with us. The potential for this ministry is very heartening as the Lord is working with us and through us to gather His eternal family among fellow Guyanese.
