BRIDGE CHURCH OF MAYFIELD HEIGHTS (MAYFIELD HEIGHTS)

### About the Family

I am from Cashiers, North Carolina. I earned a BS in Electrical Engineering. I received my BA in Theology from Trinity Baptist Bible College in Asheville. I am currently working on my MDiv online through Southwestern Baptist Theological Seminary.

I enjoy serving the Lord through preaching and teaching. I also have experience musically, serving as minister of music at Trinity Baptist (Asheville) as well as traveling with a musical evangelism team.

Sarah is originally from Chardon, Ohio. She moved away about 25 years ago and is happy the Lord has led her back to the Cleveland area. She has a BA in History and an MA in Museum Studies, which led her to a job at the Atlanta History Center in Georgia. After moving to Asheville, Sarah changed fields and worked for almost 10 years at a law firm. She waited patiently for God to send her a godly husband, and that prayer was answered five years ago in me! Both of us love serving the Lord together!

### About the Church Plant

God has been drawing us to the Cleveland area for about three years, and we are finally prepared to answer the call from Acts 1:8: "... be witnesses to Me in Jerusalem, and in all Judea, and Samaria and to the end of the earth."

In leaving our small town in North Carolina, we feel that the Mayfield/Mayfield Heights area is our Samaria. We are excited to see what God is going to do in this part of Cleveland. We expect to start in early fall 2015.
