About the Family

I have been married to Nancy for nearly five years. We have a two-year-old son named Everett and are expecting our second child in October 2015.

About the Church Plant

LifeConnection Northeast is a new congregation sent from our mother church, LifeConnection Church in Independence, Missouri. Comprised of a core team of 11 people, LifeConnection Northeast has been meeting together, praying and reaching out to our neighborhood for the past year.

Northeast Kansas City is a very diverse community in the inner city. High crime rates along with immense economic and ethnic diversity have made starting a new church difficult. However, Northeast needs a gospel-centered church to fill the void of numerous dying congregations.

LifeConnection Northeast is committed to seeing this happen. We are a missional community of truth, beauty and generosity in a dark world that desperately needs Jesus.
