

Toshifumi Tsuchihashi

PITTSBURGH INT'L JAPANESE CHURCH (JAPANESE)

About the Family

Toshifumi (Tommy) and his wife, Michiyo, moved from Japan in response to a call from the Lord to serve Japanese people here in the U.S.A. In Japan, Tommy was an engineer and Michiyo was a pharmacist. They decided to give up their professional lives because God called them to shepherd Japanese people.

The Tsuchihashis have two children. Kazuki is a college student in Japan, and their daughter, Kayo, is a high-school student in Pittsburgh. They all love Jesus and are willing to sacrifice for Him.

About the Church Plant

We are here to plant the Japanese church. There are about 1,500 Japanese people in the Pittsburgh area, but most of them do not believe that Jesus is the Savior. It may take a long time for many people to worship God at our church. But we believe that God will open the door of the gospel to those who are from Japan.

Find out how you can

Pray.
Participate.
Provide.

PRAY.

We would like for you to pray for the Japanese people. Most Japanese believe in Shinto or Buddhism, but such religions cannot save the people. As the result, more than 30,000 Japanese kill themselves every year. Please pray for their salvation.

PARTICIPATE.

We want to invite many people to our church. So, I would like you to tell about our church whenever you meet Japanese people. Most Japanese think that church is a boring place. We are working to correct their misunderstanding.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
