

## Lierte Soares

RIVER OF LIFE WORSHIP CENTER (NEWTON)

### About the Family

The Soares family has assisted the International Mission Board for years on mission trips in Brazil and also has helped to organize missions projects together with the Louisiana Baptist Convention. Lierte Soares was ordained June 4, 2004, by a sister religious organization in Brazil. He then began working full time as the lead pastor at Calvary Baptist Church there. Having a big passion for discipleship and evangelism, he decided to answer God's call in 2014 and moved together with his family to the United States as a church planter missionary.

Lierte and Anna Paula were married in 2003 and have one son, Liertinho. They love Boston and plan to raise their family there. Anna has a passion for children and families. They serve and dream together in God's kingdom to make disciples and to be part of a revival in New England to reach America for Christ!

### About the Church Plant

At the end of July 2014, we started to reach people through Bible studies, discipleship and prayer gatherings. We brought a passion from Brazil: bless Boston!

River Of Life Worship Center was launched in May 2015 with 40 people. It is a gospel-centered, grace-driven, multicultural church that exists to share the love of Jesus Christ, to make disciples and to grow according to God's Word. Our vision is to build a Bible-based church to reach and influence Boston, changing mindsets and empowering people to lead and impact lives with the gospel of Jesus Christ.

Now we are part of God's work in New England!
