RESTORATION CHURCH (METAIRIE)

About the Family

My beautiful bride, Laura, and I have been married since 2006. Meeting at church in college, Jesus has since brought us on an amazing journey. He has graced us with three amazing boys: Colden, Braden and Ashden.

I now find myself planting a church in the very city in which I was born, Metairie, La. With deep local roots and a passion for Jesus, God led me into full-time ministry following Hurricane Katrina to see restoration, renewal and revival come to New Orleans.

Initially the Holy Spirit led us to launch a ministry pioneering concerts, events and movements across New Orleans and the Gulf South. After nearly a decade of that work, He has led me into pastoral ministry and church planting. Events are great. Movements are better.

About the Church Plant

We are an expression of God's people united by the Holy Spirit in pursuing the mission of Jesus Christ.

Restoration Church is a new church in Metairie, La., with a big vision for our city! Greater New Orleans desperately needs Jesus. We are blessed to gather in the heart of one of the busiest stretches of commerce and traffic in our city and state.

The community in which we are planting is entrenched, culturally religious and highly influential to our city. Evangelical numbers are very low. The numbers are so low that most missions agencies would label us an unreached people group. According to census numbers, 43 percent claim no religion at all. #RestorationIsHere

Find out how you can

- Pray.
- Participate.
- Provide.

PRAY.

- For our passion for Jesus and the people of New Orleans.
- For our resources as we develop long-term partnerships.
- For our vision of restoration, renewal and revival.

PARTICIPATE.

Planting this new work will require significant investment of passion, resources and vision. We ask that you prayerfully consider investing in Restoration Church. For more information on ways to partner, visit restorationgathering.com

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
