FAMILYROOM DENVER (GREEN VALLEY RANCH)

### About the Family

My wife, Tiawana, and I have been serving Christ for 17 years. We have three adult children and five grandchildren. Our journey began at Village Baptist Church in the San Francisco Bay Area where we faithfully served for 11 years.

Called by the Lord and compelled by the Holy Spirit, our family moved to Grand Junction, Colo., in September 2008 to plant our first church. We named the church Familyroom Fellowship, and it is now a healthy, growing multiethnic church. I am currently attending seminary at Gateway Theological Seminary, studying for a master's degree in theology.

### About the Church Plant

Compelled again we have relocated to Denver, Colo., and we are excited to plant another Familyroom in the Green Valley Ranch community. Green Valley Ranch is located in northeast Denver, approximately 10 minutes away from Denver International Airport. This growing multiethnic community of approximately 46,000 people has only two evangelical churches. There is great need for more churches and an open door for us to share the gospel.

The mission of Familyroom Denver is to reach, teach, love and give all in the name of Christ. Our strategy is to get know people through outreaches, grocery-store evangelism and community events.
