10:31 CHURCH (KELLEYTOWN IN MCDONOUGH)

About the Family

Tricia and I have been married for more than 20 years. We have four wonderful kids: Sarah (18), Micah (14), Anna Grace (11) and Zoe (9). They are the blessings we have been given by God.

We have been in youth ministry from the beginning of our life together, and we are now entering a new stage of ministry. We love people and are very relational in ministry. God called us to the Kelleytown area after serving in a wonderful church for 15 years. We loved our life and loved the people in the church, but felt that God wanted us to do more.

Tricia is teaching our two little girls at home, and our man Micah is attending Union Grove High School. Sarah is attending Gordon State. This stage of life is very new and challenging, but the rewards are already showing up. We love sports and look forward to watching the Falcons break our hearts every year.

About the Church Plant

We moved to Kelleytown (North McDonough) believing God has brought us here and ordered our steps. We have been blessed and given much as a family. We must give back and seek to be used by God.

We were really comfortable and really happy in our previous church. We were making more money and having more influence than we had ever had, but a holy dissatisfaction was setting in. We knew we needed to plant a church and be part of the Send North America church planting campaign. We moved to the McDonough area in May 2015 and purchased a home. Presently, we are meeting in our home on Sunday nights at 5:30 p.m. We are enjoying this stage of church life and look forward to what God is going to do.
