INNOVATION BAPTIST CHURCH (LAWRENCEVILLE/LITHONIA)

About the Family

I am excited about making an impact in a growing community.

I have an extraordinary passion for all people, and I possess a unique quality that affords me the ability to effectively minister to the needs of families through the fostering of healthy kingdom relationship development. My passion is to help people find godly direction in life and to grow into productive citizens of society. I have a strong commitment to cultivate leaders and to motivate believers to evangelize the lost and to be all God has called us to be. I lead by example, and I am dedicated to the work of the ministry of Jesus Christ.

As a minister, I am capable of communicating the Word of God in a biblical and relevant manner to reach the lost and the wounded saints and to address the needs of growing Christians in a way that is understood by all ages and cultures.

About the Church Plant

Innovation Baptist Church is a new church in the Lawrenceville/Lithonia, Georgia, area committed to refreshing people, purpose, promise and potential by meeting people where they are—how they are—no matter who they are.

Our hope is to introduce those who are unchurched and wounded to the grace and mercy of Jesus Christ. Missions will be our identification.
