CHRIST BIBLE CHURCH (ESCONDIDO)

### About the Family

My wife, Rosemarie, and I met on a mission trip in 2008. During my final semester of seminary (2011), we got married. We have one son and a daughter on the way.

We enjoy meeting with other couples for discipleship and counseling. We have a huge heart for missions. Since 2008, we spend a couple of weeks each year in Southeast Asia. We also find pleasure in reading, backpacking and exploring new eateries.

### About the Church Plant

Christ Bible Church was planted in spring of 2015. We are a vibrant and enthusiastic church who is committed to discipleship and reaching our community with the gospel.

In discipleship, we are teaching a counseling class to certify our members through ACBC. We are also committed to raising up new leaders to continue the ministry of church planting.

We reach out to our community through the following ministries: convalescent home, abortion ministry, college campus and Rethink Mercy Ministries.

Finally, we believe the Great Commission extends beyond our borders. For this reason, our leaders are committed to mobilizing and sharing the vision for global missions. There are currently three ministries overseas.
