LIFESONG CHURCH OF PAINESVILLE (PAINESVILLE)

About the Family

I am the youngest of five children to a father and mother who were founding families of a new church plant in Lake County back in the 1960s. I accepted Christ at the age of 4 and had a strong church background, being raised by two godly parents.

I am married to Charisse, who was hand-picked for me by God. We have two children, Alyssa and Brandon.

About the Church Plant

LifeSong Church is situated in a small but dense residential area. Around 4,000 middle-class people live within a one-mile radius. Although census information says 65 percent of the people in this area claim to have a religious background, most with whom we have come in contact do not attend a church.

In addition, many of the residents believe they are doing OK for themselves and do not realize they are lost without a Savior. LifeSong Church desires to be a strong local community-based church that has a heart for these people and a light to the truth of the gospel.
