CONNECTIONS CHURCH (FRIDLEY)

### About the Family

I have been married to my wife Kim for almost 12 years now. We met at Ouchita Baptist University back 13 years ago.

Our son Eben was born to us October of 2005, he's a serious/silly boy who loves his legos and minecraft. Caden our daughter was given to us March of 2007, she is vivacious and loves so many things. Her favorites change daily.

We have a third baby who went straight from Kim to heaven back in July of 2016. This brought on new challenges. Trying to understand God's sovereign plan is unspeakably difficult. We have found comfort in our Hope and in the prayer support of so many. We are thankful for the chance to know this baby for only 11 weeks.

We are blessed to have Carrie, Kim's sister: living with us. She is our nanny and home schools our children.

We do both work bi-vocationally. Myself in event technology and Kim is an insurance agent at an independent agency

We have grown closer to God, learned to depend more, and have found joy in this journey God has us on together

### About the Church Plant

We are focusing on online content. We are doing a multi state Skype bible study every Monday night. Building up a YouTube channel and hope to use that platform to reach people locally and internationally as well. We are counteracting negative content online by posting positive content in hopes to reach the lost and build up believers.
