GOSPEL CHURCH (MINNETONKA)

About the Family

I live in North Minneapolis with my wife, Shelby.

About the Church Plant

Gospel Church is a sister-congregation with the Slavic Baptist Church of the Transfiguration. Our congregations come from different cultures and speak different languages, but we share the same marching orders from Jesus: Make disciples.

Our strategy for making disciples is through our small groups. Small groups are open to everyone, both young and old. At Gospel Church, your small group is not simply a once a week meeting; your small group is the people who point you to Christ, who encourage you and who partner with you to reach your neighbors, family, friends and coworkers with the good news of Jesus.

We currently do not have a set date for our first Sunday service. We hope to begin weekly services by Easter 2016.
