### PRAY.

Please pray that we will hear from God clearly as we seek His guidance with the new church plant. Too many times we do things we feel are right in our hearts but are not necessarily things God has ordained. So pray for clarity in this season.

### PARTICIPATE.

Churches and individuals can participate in our ministry by sending missions teams to help with our outreach to the community.

### PROVIDE.

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.

## About the Family

I am happily married to Latonya Simmons. We have been married for 17 years, but we have been together for 23 years. We have three daughters: Andrea, Adrienne and Brandi.

## About the Church Plant

New Life Fellowship seeks to reach the millennial aged African Americans in our urban community with fresh worship and community outreach and service.

We envision New Life Fellowship to be an exciting alternative to the traditional Sunday Worship service. We have entitled our Worship experience "Friday Night Fire" where the wounded can be made whole and the broken-hearted can receive joy. Our goal is to be a dynamic congregation that reproduces disciples and leaders in this city.
