## About the Family

Michelle and I have been married for 24 years. We have two daughters, Kayleigh (21) and Allyson (16). We spent more than 20 years leading student ministries in Louisiana, Arkansas, Tennessee and Texas.

In October 2013, God began to stir our hearts about planting a church along the Front Range region of Colorado. After spending a year completing a church planting residency at Cross Church in Springdale, Arkansas, we were commissioned to plant The Bridge Fellowship in Colorado Springs.

We love our city and desire to find multiple ways to serve the more than 700,000 people who call Colorado Springs home.

## About the Church Plant

The Bridge Fellowship exists to share the life-changing love of Jesus Christ with lost and hurting people. We are planting The Bridge Fellowship in the northeast section of Colorado Springs where population growth and business development are booming at a record pace. Within minutes of our front door are young families, enlisted military, single moms and young professionals.

We are deeply committed to building relationships and meeting the needs of all these people groups and more in this great city to which God has called us. We are also passionate about building up our people and sending them out to expand God's kingdom in Colorado, across America and around the world through missions and planting other churches.
