About the Family

My wife, Allie, and I have been married since 2011 and are excited to now call ourselves residents of Denver! I was raised in northwest Arkansas and earned a B.A. in Biblical and Theological Studies from John Brown University in 2011. In summer 2012, we moved to Louisville, Kentucky, where I worked to earn an M.Div. from Southern Seminary.

Our call to church planting began late 2012 when a mentor began to give me a vision for multiplying local churches in the United States. In preparation to plant, I am serving as a church planter apprentice with Summit Church Denver. This apprenticeship is affording us time to learn how to plant an effective, multiplying church in the city! Allie is serving the church by teaching sixth grade in the Denver public school system. We love Denver and are so excited to see God made famous as His gospel begins to take root in the city.

About the Church Plant

God has called us to plant a new, gospel-proclaiming, Jesus-exalting, community-renewing church in the heart of Denver. Our driving passion is to see God made famous as the gospel forms a new community of believers in the heart of Denver, Colorado! Our mission is to reach people with the gospel, building them into joy-filled followers of Jesus and then releasing them on mission into the city.

Our focus is on a few neighborhoods that are just east of downtown Denver. In our neighborhoods you will find an amazing mix of families, young professionals and established Denverites living in close proximity. Our desire is to see this community transformed as the gospel begins to take root!
