WASATCH COWBOY CHURCH (HOOPER)

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- For continued strengthening among our people.
- For leadership within our church body.
- That our people will apply what they have learned in a recent course of study called Witnessing to Mormons in Love.

PARTICIPATE.

Pray for us. We meet on Saturday evenings and people from other churches are encouraged to attend and bring along a friend. We are a typical cowboy church, which makes us appealing to folks who may not be willing to attend a Sunday church with their believing friend.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.

About the Family

My wife is Lily. She is a great help in ministry at Wasatch Cowboy Church. She will be working for another three years and lives on mission through her professional employment and in everyday life as well. I am retired. We have nine grandchildren.

About the Church Plant

The church was planted in January 2011. It began as a Bible study in a home. We have seen a number of people conquer addictions and one suicide has been prevented. We have had seven baptisms, and we presently have a family of four and a single man who will most likely be baptized soon.

We presently have active men's and ladies' groups and are about to begin a youth group. We have a weekly ministry for young children as well. Our praise band is playing a large part in our community outreach effort. They are frequently asked to perform at local community celebrations.
