### About the Church Plant

Our mission is to invite people to experience wholeness in life and community. Our goal is to impact the 36 neighborhoods of Cleveland. Our initial focus will be Ohio City, a community on the west edge of Cleveland.

As a church, the Edge Project seeks to engage people, develop leaders, gather resources and empower movement. With the growth of Ohio City, the communities are changing and reforming. This is an opportunity to invite the business community, organizations, schools, etc., to experience wholeness.
