HOPE HILL CHURCH (WOODBIDGE, DUMFRIES, MANASSAS)

About the Family

Brandy and I were married in December 1993. We have three beautiful daughters. Jordyn (20) and Bailey (18) are both students at Liberty University. Alexis is 14. We have been in full-time ministry for the past 23 years. We have always embraced a relational/missional approach to ministry.

We deeply believe in ministering as a family, be it student ministry, camps, missions trips or local outreach. Church planting has been no different. Our daughters have been in the trenches living out and sharing the gospel with friends, teammates, neighbors and in their schools. Seven families from our daughter's soccer team came to know Christ and joined our core team.

As a licensed professional counselor, Brandy has used clinical counseling based on the life-transforming gospel of Christ to serve our local community, churches and schools. We have now launched a Hope Heals counseling and recovery ministry as part of Hope Hill Church.

About the Church Plant

We worship in a school, which allows us to keep rent low and pour resources into ministry. About 400 people gather regularly and more than 200 have been baptized over the past five years. We don't want to just go to church, but to be the church and to make disciples.

"Hope for NOVA" is our vision for outreach.

- Hope Houses: homes that are ministry outposts in areas of high need.
- Hope Centers: community centers offering tutoring, after-school care, ministry and meeting space.
- Communities of Hope: educational, professional counseling and medical care.

We hope to see new churches birthed through these efforts.
