## About the Church Plant

The purpose of South Asian Hope Church is to provide an opportunity to the people from India and Pakistan who speak Urdu, Hindi and Punjabi to worship in their own language. We started worshiping as a church January 17, 2016, at Spring Valley Baptist Church at 1:00 p.m. every Sunday. Thirty-five to 40 people are attending the worship. We also meet every Wednesday at our home as a small group. This provides a time for those unable to attend the service on Sunday because of their jobs.

Our mission is to follow the Great Commission and to seek and point lost souls to the knowledge of Jesus Christ. For this reason we are pursuing Hindu, Muslims and Christians in city of Las Vegas.
