THE WELL CHURCH (HENDERSON/CADENCE)

### About the Family

Nikki and I have been married 23 years this May. We have two beautiful girls. Marlee will attend UNLV this fall, and Mariah will start her freshmen year here in Henderson. Marlee is a music major and has helped lead worship for more than two years in Tennessee. Mariah is a fashion-focused young lady who loves to encourage other young ladies.

Nikki is my co-laborer in ministry and has served with me wherever we have lived. She loves to teach the Word to young ladies and has helped me train others in sharing the gospel for more than 20 years. She is God's gift to me.

### About the Church Plant

The Well is a result of the prayers of two ladies, Christina and Debra, who have prayerwalked their neighborhood for three years, asking God to start a work here. God impressed on my heart in October 2014, while on a vision tour, He was leading me here. The night before we landed, the ladies had been praying on a hill near their house that God would start a work here. The next day, I flew in and God called me while here on the vision tour. I put my yes on the table and God opened door after door until I moved here January 2016.

We seek to love people and teach truth here in the eastern area of Henderson. We just started our first Bible study and already have seen several people, including Christina and Debra, join the mission of The Well!

Find out how you can  
**Pray.**  
**Participate.**  
**Provide.**

**PRAY.**

Pray that we will see what God is doing here in this area and that we will be obedient to follow His leading here. Pray for Weston Hills, the subdivision in which we have started ministering. Pray for our family as we adjust to the West.

**PARTICIPATE.**

We are new here so in 2016 and 2017 we need strategic partners to help us minister to this area. In addition to ministering at Weston Hills, we are looking to serve schools and fire and police departments. We need teams to help us serve and resource our outreach efforts as we grow.

**PROVIDE.**

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.
