WALK CHURCH (SOUTH HENDERSON/CENTRAL LAS VEGAS)

About the Family

Heiden and Neena Ratner did not grow up in typical Christian households in Las Vegas, Nev., however, God did a radical work in their lives during their early college years, and they have never looked back. Heiden and Neena established a lasting friendship during one of Heiden's first ever Bible studies in Las Vegas. Two years later they decided to turn their friendship into a relationship and on November 18, 2011, Heiden and Neena were married in Israel where Heiden was playing professional basketball.

Heiden and Neena have one baby boy named Epaph Rather. Heiden and Neena share a love for the people of Las Vegas and are excited to be part of God's kingdom activity in the city through planting WALK Church.

About the Church Plant

WALK Church is a church plant in the city of Las Vegas, Nev. Heiden and Neena are the planters of WALK, alongside a team of disciples living on mission within the city. At WALK, we don't believe Las Vegas is the city of sin, rather the city of Him because God's grace and love are on display all around us.

Based on Colossians 2:6, our mission is to free people to walk in Jesus. We truly believe as we walk in Him, Jesus will, through His church, change our city in a real way. We launched our first public worship service September 20, 2015, and we have since seen healthy growth in our fellowship. By His grace, we have seen many people saved and baptized and disciplined in learning to walk in Jesus.
