TESTIMONY CHURCH (LAKE AND CUYAHOGA COUNTIES)

About the Family

Dave is married to Jill, a beautiful, fervent lover of Jesus who is also an anointed evangelist. They have been married 23 years. They are "60-somethings" who believe in God's amazing power to save. They have three children and 8.67 grandchildren (cannot wait for little Ashton to get here December 17).

Dave surrendered to Christ November 30, 1968. He planted his first church in 1971 at 20 years of age while a freshman in college. This church grew to more than 300 in three years, which led Dave to leave college to oversee this growing movement. Dave was a bivocational servant of the Lord Jesus for 45 years, until he became a church planter with NAMB. He was commissioned to develop a church planting movement in northeast Ohio using Training for Trainer principles (T4T).

For 25 years, Dave and Jill were business owners in the executive search industry. Their company, Diamond Management Consultants, had client partnerships with IBM, PricewaterhouseCoopers and Deloitte.

About the Church Plant

Testimony Church is a church planting movement without a building. We do not invite people to church but instead train each believer to GO to broken people in their own lives and to love these dear ones to Jesus.

We use T4T principles to produce holistic disciples who are producing more disciples. This is yielding a harvest of souls for Christ. Without paying a single rental or mortgage payment, the Lord Jesus has given us more than 90 new believers in the first 18 months. Testimony has more than 40 venues (homes, YMCAs, retirement centers, apartment complexes, tattoo studios, etc.) and has brought more than 400 people into the discipleship process. Combined, these disciples pray for more than 5,000 dear lost ones by name every day.
