FIBC-NORTH (LAGO LINDO)

About the Family

My wife, Leonie, and I have been married for 26 years. We have two sons; Paul is 25 years old and Timothy is 23. Paul is a church planting intern, and Tim is involved in the worship team and also as a youth leader. We were born and raised in the Philippines. I am an electrical engineer, and Leonie is an elementary school teacher. We both love and serve our God in the church plant in our town.

I moved to Canada in 2001 and my family in 2002. I served as worship leader and church moderator in the Filipino International Baptist Church (FIBC) before God called us to church planting in 2015. I am a bivocational pastor working as an electrical estimator in a construction company in Edmonton. Leonie loves teaching children and is also involved in discipleship. My family decided to commit our lives in serving our Lord and Savior Jesus Christ.

About the Church Plant

FIBC-North was born out of the Filipino International Baptist Church vision to have 200 disciples and two daughter churches by 2017. We have members who volunteered and joined our church planting team and were sent out September 2015. We held our first public launch April 03, 2016, sharing the same mission statement as our mother church: to glorify God by praising Him, preaching the gospel of the Lord Jesus Christ and preparing His people for service.

Find out how you can

- Pray.
- Participate.
- Provide.

PRAY.

- For our church planting team development.
- For our small group members' spiritual growth.
- For salvation of visitors and new contacts.
- For our block party June 25, 2016.
- For our community volunteer opportunities this summer.

PARTICIPATE.

- Become a prayer warrior for our church plant.
- Become a supporter by providing materials for evangelism and discipleship.
- Sponsor a training program for new Bible study leaders.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
