About the Church Plant

Praise Chapel is continually growing and being established. Individuals are currently being discipled and empowered to fulfill all God has called them to do. They believe in Win One, Build One and Send One, reaching and putting value in all people to help them fulfill their purpose and then see them pour their lives into others.

The church is committed to reaching people others think are unreachable for Christ. We can't wait to see what God does next in Florida and around the world.

–For us as we continue to study our city and preach the never-changing gospel to an ever-changing city.

–For our families so they can be witnesses in their neighborhoods.

–To make an impact in the lives of young adults.

We can use missions teams to come down and assist with reaching our community. This helps our relationship with Miami-Dade County and gives us more opportunities with them.
