THE GOOD SHEPHERD CHURCH (SOUTH SIDE OF INDIANAPOLIS)

About the Family

Sky and I graduated from Campbellsville University. We met at a college small group Bible study where we became friends. We eventually fell in love and decided to spend the rest of our lives serving the Lord together.

I graduated with a B.S. in Educational Ministries in December 2014 and Sky with a B.S. in Elementary Education in May 2015. Sky is currently teaching at Emma Donnan Elementary on the south side of Indianapolis.

My passion is one-on-one discipleship of men who are called to ministry. I also love teaching God's Word in small group settings and preaching. Sky is passionate about teaching and influencing the lives of children. She is a gifted painter and artist.

About the Church Plant

The Good Shepherd Church is located on the south side of Indianapolis. We are currently having weekly Bible study at Stone Lake Lodge Apartments. We meet on Tuesday evenings 7:00 in the clubhouse. We will begin weekly worship service beginning October 9, 2016, at 10 a.m. located in the indoor tennis court connected to the clubhouse.

Our church will engage the community, lovingly accepting people as they are and praying for God to change their hearts and lives. We will show others how to follow Jesus, preaching the Bible without apology. We will have missions in our DNA, looking outward to minister. Our church will welcome challenging questions, confident the Bible has the answers.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- Please pray for us as we continue our small group Bible study in our apartment complex.
- Pray that God will put people in our path as we begin to plant the church.
- Pray that we both find balance in our lives as we take on new roles.

PARTICIPATE.

- Share with others about the WorkOne Career Training Project. Like us on social media.
- Join the core team. We need leaders for worship and children's and youth ministry.
- Be part of the launch team! Most will make the new church their home, but others will join for a short time to help us launch well.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
