RESTORATION CHURCH (NOBLESVILLE)

### About the Family

I was born in Little Rock, Ark., and have lived most of my life in northwest Mississippi. My wife, Christina, and I began dating in high school and got married in January 2012. We have two children, Kaden and Sadie.

I worked on staff at Longview Heights Baptist Church in Olive Branch, Miss., before the Lord led us to Noblesville where I serve as associate pastor at Restoration Church. I received a Bachelor of Business Administration from Mississippi State University and a Master of Divinity from Mid-America Baptist Theological Seminary.

### About the Church Plant

My family and I moved to Noblesville to help plant Restoration Church with Matt and Megan Brewer. We began this journey in November 2014 and spent the next 10 months building a core team. In September 2015, we launched, and since then God has been faithful to grow and establish His church.

Our desire is to be Christ-centered and Bible saturated as we see God restore lives by the power of His gospel. Now Restoration Church is planting again, and Christina and I will be leading out this time. We are prayerfully considering a couple of areas in the Indianapolis area. Our goal is to launch by fall 2017. For more information, visit [restoration-noblesville.com](http://restoration-noblesville.com).
