BHUTANESE NEPALI CHURCH OF KANSAS (BHUTANESE NEPALI)

About the Family

I was born and raised in Bhutan. I married my beautiful wife, Susan, in 1988. God blessed us with three children: Marika, Roshni and Ashish.

Our younger daughter got married in December 2015. Our daughter, Marika, continues to study for her pre-law degree. Our son, Ashish, is planning to study medicine.

I met the Lord Jesus as my personal Lord and Savior in 1984 on my death bed. I have served the Lord Jesus in reaching other people with the gospel since 1992. By His grace, I will continue until the end of my life.

About the Church Plant

In 1991, many Bhutanese-Nepali people began fleeing our homeland of Bhutan to Nepal and stayed there as refugees for 18 years. After 18 years, our God opened doors to western countries, and 80,000 have settled in the United States as refugees. Around 300 Bhutanese families now call Kansas City home. The majority of Bhutanese people are Hindu or Buddhist.

My family moved to Kansas in June 2009. We began sharing the gospel and started a Bible study in our home with three families. The group has grown to 22 families, who became our church in 2013. Our church vision is to fulfill the Great Commission of Jesus Christ by proclaiming the gospel and raising up evangelists to reach the world.
