ÉGLISE DU MONT-BELLEVUE (SHERBROOKE)

### About the Family

Myra and I met for the first time in Ottawa in 1997. After dating for a few years, we married in 2003 and are both very blessed to serve the Lord together. God has since added four beautiful kids: Noah (11), Anaël (9), Éloïse (7) and Kyria (4) to our family.

After serving in a pastoral role in Orleans, Canada, for five years, we moved our family to the Mont-Bellevue neighbourhood of Sherbrooke, Quebec, in the summer of 2014. We are called to lead a church plant and bring the first evangelical presence to this part of the city. Our role through the church plant process is to serve the community, bring its residents to the knowledge of Jesus' love and to disciple them as they grow in the faith.

We're very excited to see what God has in store for this part of Sherbrooke as I serve in a pastoral role. Our family's passion is to see this community transformed for His glory.

### About the Church Plant

Église du Mont-Bellevue is concerned with changing the fact that Quebec is one of the least-reached areas of North America and our efforts are concentrated on reaching our community for Jesus. We know that people in Mont-Bellevue are waiting for someone to introduce them to Jesus in a way that they can understand and respond to.

Our mission is to pursue the glory of God by making disciples for Jesus with the assistance of the Holy Spirit. We exist to exercise compassion to all in Jesus' name, to walk with people in every season of life and to make Jesus known.
