ÉGLISE COMMUNAUTAIRE MOSAÏQUE (QUÉBEC)

About the Family

I'm married to Caroline. We have three daughters: Élie-Anne, Juliette and Zoé-Samuelle Bei.

About the Church Plant

We are a church that multiplies its community actions, its presence and its influence around the Greater Quebec Area by sharing the gospel. We had a vision to revive a church in the community and planted 10 churches.

We have now three churches, one downtown in a poor neighbourhood, one for students in the University Laval and a third one in a Catholic church, which we want to turn into a multiplication center to train leaders, teams, planters and pastors for the mission everywhere.
