About the Family

Gina and I have been married for 12 years and have two little boys. Calvin is 7, and Caleb is 4. We have just moved to our new town and are enjoying settling in, getting to know the place and people and dreaming about what our church will look like. This summer was filled with spending time with core team members, tubing and skiing on the lake and riding our bikes around Northfield as a family.

About the Church Plant

We are in the initial stages of planting. We have moved to our town, are meeting in small groups through the week and are planning to launch our first public service in spring 2017. We hope to plant a church that seeks the good of Northfield and the nations as we make disciples who know Christ and seek to make Him known.
