

## Roni Mugaki

HARVEST DOWNTOWN MINNEAPOLIS (ALL NATIONS)

### About the Family

Roni and his wife, Joyce, met in 2005 in their hometown of Nairobi (Kenya) and got married eight months later. God later miraculously opened doors in 2010 for them to relocate to the U.S., and they settled in Chicago.

Soon after, Roni was accepted into Moody Bible Institute where he graduated with a B.A. in Biblical Exposition and an M.A. in Pastoral Studies and Preaching. While attending Moody, he got involved in street evangelism in Chicago, and God put a burden in his heart to be a church planter in the U.S.

Joyce and Roni have now been married for 10 years, and God has blessed them with two energetic boys, Imani (8) and Wema (5). In August 2015, Roni joined Harvest Bible Chapel as a church planting pastor.

### About the Church Plant

The vision for planting in downtown Minneapolis was birthed at Harvest Bible Chapel in Maple Grove as it was on mission to plant “5 churches in 5 cities in 5 years.” This mission matched perfectly with Roni’s love for large cities and was a great opportunity to plant Harvest Downtown Minneapolis.

Roni and Joyce are planting a church that will glorify God in every aspect. The church pillars are unapologetic preaching (2Timothy 4:2), unashamed adoration (John 4:24), unceasing prayer (Ephesians 6:18) and unafraid witness (Ephesians 6:18-20). Currently Harvest Downtown Minneapolis is in the process of growing its core group and will be looking to launch the church between January and March 2017.
