IN THE LIGHT—BALTIMORE (NORTHEAST BALTIMORE/WHITEMARSH)

About the Family

A profound revelation came to me at age 17, "Change now or spend the rest of your life in prison!" God was speaking to me, and I didn't even know it. Though I was scheduled to be transferred to an adult correctional facility on my 18th birthday, I was given a leadership role in mentoring incoming juvenile inmates. This gave me clearance to stay and finish my sentence as a minor. Following my release my goal was to obey the law and stay out of jail, but the environment to which I returned promoted everything but freedom.

Shortly after coming home, I met my future bride, Janet. It was the light of Christ in her that led to my surrender. God then opened doors at Thaddeus Stevens College where I graduated with honors. Today Janet and I celebrate 15 years of marriage. We have four amazing children, our oldest beginning his junior year in college. Our family has been so radically transformed by the life-changing POWER of Jesus Christ that we have dedicated our lives to His service.

About the Church Plant

"In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not overcome it" (John 1:4-5). In the Light Baltimore is a place where God is changing lives! Our mission goes beyond restoring the individual to strengthening the marriage and family as well. Our church plant is home to unique family ministries that include: Re-Engage Marriage Ministry, Kingdom Architects (men's discipleship), Holy Housewives (women's discipleship), Parenting classes and Beautiful You purity events for girls 7–18. We impact northeast Baltimore by implementing our four drivers:

- 1- Reach (evangelism)
- 2- Teach (discipleship)
- 3- Release (church plants)
- 4- Partner (connect with kingdom-minded churches)
