HIGHLAND FELLOWSHIP (SAINT PAUL-HIGHLAND PARK)

### About the Family

My name is Jim Peterson. I have been married to my wife, Vanessa, for five years. We are both graduates of the University of Northwestern-St. Paul, which is a Christian college here in the Twin Cities. I have almost completed my master's in Theological Studies from Southwestern Baptist Theological Seminary.

We have a 2-year-old son named Judah, and we are expecting our second son in September 2016. We love to frequent the local parks and libraries in St. Paul. We are also big fans of the Twins and Vikings. We are frequent readers and love to watch movies together. We appreciate your prayers as we welcome our second child into the world and prepare to plant Highland Fellowship.

### About the Church Plant

We are planting in the Highland Park neighborhood in St. Paul. This community consists of about 25,000 people. The community is connected to many college students and young families. The neighborhood is predominantly Jewish and Catholic.

We look forward to reaching the community. It has been a blessing to have a team of people working toward this goal. We are hoping to launch Easter 2017. We want to be a church for the city that knows God, loves God and serves God. This will happen as we become a resource for the community by meeting spiritual and physical needs.
