About the Family

My wife, Julie Laventure, and I have been married for 17 years. We have four children: Benjamin, Jacob, Caleb and Élianne. We are both from Sherbrooke, where we grew up together physically as children, but also in our faith. We both have the privilege of being born into a Christian family.

During our first year of marriage, we did one year of Bible school. Our plan was to return to work after this year, but God had other plans! This year, as I had the opportunity to meet many missionaries, God called me for His work.

It was after this call we decided to go to Quebec for studies in theology. Meanwhile in Quebec, God clarified His call on our lives. I had the opportunity to serve 11 years as a pastor in various levels in an established church. In 2012, we knew church planting was more accurate for us.

About the Church Plant

The 180° Urban Church started in response to a special call God placed in the heart of David Chouinard and three other families in Quebec. A team of believers was quickly formed and organized to mobilize the body of Christ to accomplish the mission Jesus gave to His church.

The team received valuable backing and support from the Axe 21 church in Sherbrooke. Wishing to reach every person in Quebec and to make the new life in Christ accessible to all, meetings were held every Sunday morning in a college in Quebec City. By providing a personal welcome, lively music, dynamic messages and dedicated children's workers, the believers of "180°" are reaching out to the citizens of Quebec.
