LIFEPOINT (WESTERVILLE)

About the Family

My wife is named Tammy, and we have been married for 19 years. We have two little girls, Abi (11) and Careigh (9).

About the Church Plant

We are planting in Westerville, Ohio, which is a suburb of Columbus, Ohio. Westerville is the largest suburb of Ohio having more than 40,00 people. It is dense and diverse. We are hoping to launch in January 2018.

Pray.

Participate.

PRAY.

We need leaders to join the planting team in order to reach the lost people of Westerville. We are praying for folks who want to help in the areas of worship and families. Please pray that God would begin now preparing people to hear the gospel.

PARTICIPATE.

We hope that churches would want to participate with us by regularly praying for us. As we get closer to our launch, we hope churches would want to be "boots on the ground" to help us with letting our community know we are here, both in ministry and marketing.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
