THE OAKS CHURCH (OAKLEY)

About the Family

Terry-Lee and Abby Kirkland both grew up in Panama City, Fla. It was there that God began to work in their hearts and give them a desire to prepare for wherever He would lead them.

During their time at Southern Seminary, they took a summer to serve with a church plant in Chicago. From this moment forward, it was clear that God's will for them was making disciples by starting new churches. They visited several cities and immediately fell in love with Cincinnati.

About the Church Plant

The Oaks Church was founded upon the vision of Isaiah 61:1-4 (you should read it real quick). In the midst of a broken world, there would only be one source of hope: the Anointed One, Jesus. It is Jesus who brings good news to the poor and then plants those who have received the good news as Oaks of Righteousness to display His glory through restoration.

We believe God has called us to bring restoration to Cincinnati and the world through the gospel. He does this in us and through us as we gather together in homes, in Sunday worship and on mission in our communities.
