## About the Family

We have an arranged marriage. My family and my spouse's family met together and the families were in agreement about an engagement. After engagement in 1993 we got married on October 9, 1994 after one year. We got married in Pakistan and God gave us two daughters (Starla & Shehrose) and two sons (Elijah & Jeremiah). My spouses name is Shamim. I moved to USA on May 30, 2010, with the intention to start a better life here. My family joined me here in USA March 25, 2013. Me and my two sons earned our US Citizenship in June of 2016. The rest of my family members will earn US Citizenship in 2018.

## About the Church Plant

The Sutun-e-Haqq Church, (The Pillar of Truth) Philadelphia was started when a few families began gathering for prayer and Bible study. As we gathered together regularly for prayer and Bible study additional families were added. As we continue to meet the vision for a new church to reach South Asians was becoming a reality. As result of our ministry, lives are being changed. One example of that is the family who came to us considering about divorce. We counsel them and share the Gospel with them. They both received Christ and were baptized on 31st December. Now they are experiencing more of the abundant life that Christ came to give us.
