THE WAY BIBLE CHURCH (RESTON)

About the Family

We love serving the Lord in Reston, VA! There are plenty of Muslims and eastern religious people plus Iranians which is our focus. But really, we try to love our personal life in such a "loud" way in love and care that others-from any background- would want to know who our Lord is. We love people because God does and want to help the reconciliation of each soul we meet with Christ. And our baby certainly helps by attracting others and breaking the ice!

About the Church Plant

After several years helping in parachurch and all sorts of ministries, we both found our city thirsty for a church who does its job, restores lives for Christ and one another, grows lives with God's Word, and creates a place for Christians to belong, not just attend on Sundays.
