## About the Family

I am married to my amazing wife, Lissette. We have been married for six years. We currently have three boys, David, James and Marcos, and we are ready and willing if God would choose to bless us with more!

## About the Church Plant

Edgewater Bible Church is in its second year, and we are excited about what God has been doing and what He will do in the future. Our church was started to reach the unreachable.

There are a few established churches in the area that have reached many people and are effectively sharing the truths of the Bible; however, in the past 20 years, we have noticed there is still a large group of people who have not been reached. These are the people who don't care about great preaching or fantastic kids' programming. Church and their relationship with Christ simply aren't a priority or even a thought.

We knew that planting a church to reach these people would be tough. Yet God is working as salvations and baptisms continue.
