

Chris Flora

MULTIPLY CHURCH (SILVERADO)

About the Family

Chris and Mindy were raised in Christian homes, both accepting Christ at a young age. They met in college through a mutual friend, and four kids later (ages 8, 6, 5 and 3) still stand in amazement of what God has done in their lives.

Since 2006, Chris has dreamed of leading a church that plants churches. Chris and Mindy were challenged by the need in Calgary for more healthy churches in 2015, and God used that conversation to ignite a flame within their hearts to start a multiplying church in the city. They never imagined planting a church was in their future, but God had been preparing them for many years to move to a new country, a new city and a new culture.

About the Church Plant

We moved to Calgary in January 2017. We desire to plant a church that is gospel centric, community focused, relationally driven and multiplication oriented. We are currently gathering a group that believes in the vision God has put before us.

Phase 1 included moving and establishing ourselves in Calgary. We have recently transitioned to Phase 2, where we are actively building relationships, gathering a launch team and serving in the community. Phase 3 will begin in fall as we begin making purchases and continue training our launch team.

Phase 4 will begin in 2018 as we host practice services and launch public services in February. Each of these phases is bathed in continual prayer, asking God to save souls and move in Calgary.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

—Pray that God would continue to send the right people to be part of our launch team.

—Pray for more financial partners to help us launch a healthy church.

—Pray for endurance for our family as we enter our busiest year ever!

PARTICIPATE.

We are looking forward to hosting missions teams through the year. You can learn more by visiting our website, followthefloras.com, where you can also sign up for our monthly prayer newsletter, read our regular blog posts and more.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
