

Joe Ackermann

BRIDGEWAY BAPTIST CHURCH RIVERSIDE CAMPUS (MOSCOW)

About the Family

My wife's name is Lisa. She is a nurse at Anderson Mercy Hospital and has a tremendous heart for people. She loves the opportunity to minister to her patients and their families during difficult times in the hospital.

We have three awesome kids: Lylah (8), Joel (6) and Jace (4). I enjoy so much watching them serve in whatever ways they can, even at such a young age, and can't wait to see what God has in store for them.

About the Church Plant

We had our first services Oct 2, 2016. God really blessed us. We started this journey about a year ago by having some events in this area and gathering a group of people together.

About 25 people from our home church have come to plant the church with us, and several families from the area are already on board and working hard to see God move in this poor and forgotten area.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

- For my wife as she recovers from recent hernia surgery.
- For God's wisdom in leading His church.
- For continued connections in the community.
- That through this my family and I would learn to serve people together.

PARTICIPATE.

We need a great deal of prayer, and support is always a need. But beyond those things, there is a food pantry in town with which we have been involved. They have some building needs. I would like to be able to help them financially and with a team of people who would perhaps be able to assist.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
