**Provide.**

**PRAY.**

—Pray for our lives as pastors seeking the will of God, and for our leadership, that they can see God working through their lives.

—Pray for the community we are reaching, that God keeps opening doors for our church to keep preaching the good news!

**PARTICIPATE.**

You don't need to speak Spanish to be part of our church plant. Let us know your ideas and talents. We know the church is one just as God is One, even if we speak different languages. We'll love people who want to put their lives to work for the kingdom.

**PROVIDE.**

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.

### About the Family

Hola! My immediate family is small as I just got married January 10, 2015, so I'm a newlywed. Everybody else in my family also works in ministry. My dad is the senior pastor of our ministry, my brother-in-law and my sister are in charge of the worship leadership and training for all our churches, and my wife is the secretary who keeps everybody doing what they are supposed to be doing.

We have been in the U.S. for about 10 years. Our goal is to make God proud of our use of the gifts and talents He has given us.

### About the Church Plant

Our church plant is focused on the Hispanic community. All of our services are in Spanish. At the moment we have in our network three established churches. Our goal is to keep planting and reaching more for Christ. We reach about 300 Hispanics every week in our services in our different locations.
