## About the Family

We are native Arizonans excited about planting our second church in Arizona in the city of Tucson. During the past 17 years together, we have served as church planters as well as equipping more than 350 church planters. Currently Brian serves as church planting pastor at Hope Church in Las Vegas. The call to plant again came during a worship service in 2015 as Dr. Danny Akin read from Romans 15:20, "I aspired to preach the gospel, not where Christ was already named, so that I would not build on another man's foundation, but as it is written, 'They who had no news of Him shall see, And they who have not heard shall understand.'"

Though we enjoy planting, nothing compares to the love for our family. We have four children, and our youngest two are adopted. Adoption has changed us and gives motivation to bring orphans into the family both physically and spiritually. We love the outdoors and look forward to experiencing the beauty of the Sonoran Desert in and around Tucson.

## About the Church Plant

Aspire Church is planted in the community of Tucson where, of the population of 1 million people, 900,000 do not know Christ. Because of the overwhelming number of lost people and lack of churches, Aspire Church wants to partner with other churches in planting more than 300 disciple-making churches over the next 20 years.

Aspire Church will be birthed in the Tucson community of Catalina Foothills where many leaders of Tucson reside. Catalina Foothills has a population of 65,000 and not one evangelical church. By loving and discipling the people of this community, Aspire Church will impact key leaders and their spheres of influence in this growing and influential city.
