

Brian Simmons

HOUSE OF REFUGE BAPTIST CHURCH (GLENVILLIE)

About the Family

I am married with six adult children and eight grandchildren. We have lived in Cleveland all of our lives. I'm a retired construction worker, and my wife has worked in the medical field for 26 years.

About the Church Plant

God called me to Greater St. Joseph Missionary Baptist Church in 2010, and we later relaunched/planted the church in 2013 under the new name, House of Refuge Baptist Church.

We have two outreach groups, currently. We believe God has a plan for us in this neighborhood because it needs help both spiritually and physically as the economic climate is low. But we know that God does big things with little things so we just keep pushing on, holding on to the faith.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray that God would send a vehicle our way to aid us in ministry both spiritually and financially so that we can do ministry work in this neighborhood.

PARTICIPATE.

We are in desperate need of a minister of music and the support that person will need. We welcome any other help God places on the heart of a partner who would come alongside us in our efforts to not just be a church in the neighborhood but a church for the neighborhood.

PROVIDE.

There are numerous ways to help a church plant. Please visit sendnetwork.com/planterfunding for NAMB's policy on providing for church plants.
