LIGHT OF CHRIST CHURCH (EAST ST. LOUIS )

### About the Family

I am married to Lucretia, and we have two daughters: Christian (7) and Chloe (5). We have been married for nine years.

### About the Church Plant

We are located in the heart of St. Louis, and we are doing ministry where there are many lost and unchurched people of all races of people. Some are homeless and hungry.

The Light of Christ Church (LOCC) plant tries to help heal and save the whole man. We are trying to start a shelter to meet many of these physical needs.

Find out how you can

**Pray.**

**Participate.**

**Provide.**

#### PRAY.

We are praying for the community to come to know Christ in a better way and that the men would come to Christ. We pray the church would grow stronger, and that the Lord would send help in working for the community.

#### PARTICIPATE.

Others can help by coming alongside the LOCC by helping us share the gospel with the community, helping us feed the community and by helping us fix up the building to be a better place in which to worship.

#### PROVIDE.

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](http://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.
