JESUS IS THE LIFE CHURCH (PARK FOREST)

About the Family

I am married and have five children. I taught in Chicago public schools for 30 years. I received a master's degree from Wheaton College, a master's in education from Chicago State University, a doctorate of theology degree from International Bible Seminary and worked on my Ph.D. from Trinity Evangelical Divinity School. I also served as a college professor at Olivet Nazarene University.

About the Church Plant

The Lord led me to plant in the south suburbs of Chicago. We are pursuing others to come to Christ on a spiritual journey that is life changing. Jesus Is the Life Church has at its heart to preach and teach the gospel and to reach out to others for life transformation.
