THE ROCK FELLOWSHIP CHURCH (PALM SPRINGS NORTH)

About the Family

I was raised in church, the son of a preacher, the grandson of a preacher, and never thought I'd be in ministry. God called me to the ministry when I was 17 years old, and I suppressed the call until I could no longer. Eight years later, I surrendered. After serving in ministry for 10 years, six and a half at Oak Cliff Bible Fellowship with Dr. Tony Evans, I answered the call to plant a church in Miami, Fla.

My wife and I have been married for 15 and one-half years. I was raised in Dallas, Texas, and she was raised in Miami. We met while attending the University of Miami, and we now have seven beautiful children, four girls and three boys.

About the Church Plant

We are an intentionally multiethnic church seeking to make disciples to impact the world. We desire to see a redeemed people of God existing as family living out kingdom values. We are in a very diverse area, ethnically, culturally and economically.

Our prayer and purpose is to be a regional church, spreading the gospel of Jesus Christ and teaching and modeling how the gospel affects and addresses every area of our lives. We want our members to see their lives as on mission for Jesus Christ, impacting not only the community, but every sphere of their lives.
